**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential Broadband consumer that supports Broadband competition. I am tired of only having access to one or two Broadband providers that consistently have poor customer service and constant price hikes. Access to quality high-speed internet access at a reasonable price is important myself and my family. We have already signed up for Sonic, which despite AT&T and Comcast's claims, is a direct competitor and offers me as a consumer a better Broadband choice.

Thanks,

Hans Ashlock
